

CBRAR converting to SentiLock

We are happy to announce that CBRAR Property Services, Inc. (CBRAR MLS) has partnered with SentiLock. After careful consideration of the new lockbox technology, safety, access, pricing, and other features, CBRAR will be switching from Supra to SentiLock in March.

What you need to do:

SentiLock will be sending out an email on Monday, February 6th, with instructions to sign up and create your credentials. This is the first step that must be done in the conversion. Once everyone is setup, lockboxes will be programmed and shipped to your Brokers. You will then need to replace your Supra eKey lockboxes with the new SentiLock Box and return the Supra box to your Broker.

What Brokers need to do:

Lockboxes will be programmed by SentiLock and Shipped directly to you. This can not be done until you have signed up and created your credentials. This must be done prior to February 20, 2023.

You will issue your agents the SentiLock boxes to replace the Supra boxes currently on listings. Your agents must return the Supra key boxes to you.

Brokers will then return all Supra key boxes back to the Association Office. Boxes that are not returned will be billed to the Brokers at \$125 per lockbox.

Specific dates and further information will be forthcoming.
